

SERENGETI

SERENGETI

APERÇU.

One of the most established and successful charter yachts in Alaska and California, SERENGETI is the perfect platform for exploration. Whether discovering the breath-taking fjords, watching wildlife, heli-skiing remote peaks, swimming in hot springs or wild salmon fishing, SERENGETI's experienced crew caters to all these interests and more.

Arrive on the spacious main deck where a dedicated crew of seven welcomes you. The entire main deck and flybridge can convert into a climate controlled enclosed space without losing the views. There is a dining table for up to 12 and surrounding sofas, a sit-up bar and outdoor TV. Full walkaround decks are perfect for whale watching and lead you to another seating area at the bow.

The main lounge is airy, open, bright and inviting with comfortable seating. A cherry wood partition with granite countertop separates the room from the formal dining area for 10 guests. The partition houses a pop-up 42in TV for those low key evenings in the lounge after an action packed day.

On the lower deck, a marble floored foyer divides off into four guest cabins: two large double cabins and two identical twin cabins each with pullman bunks for children. Your full beam master, forward on the main deck, is a traditionally styled, cedar lined cabin with an impressive en suite marble bathroom with his and hers sinks, shower and jacuzzi bath.

Guests may choose to retreat to the sky lounge where they will find a sofa area to enjoy their morning coffee gazing over the ocean. Later in the day, take a seat at the sky lounge bar for a pre-dinner cocktail or enjoy an after-dinner card game at the games table.

One deck up, the bridge deck offers a jacuzzi and a partially shaded L-shaped seating area. Taking the stairs up to the sun deck, guests can admire the sea views or sunbathe on the sun pads. This deck is the perfect al fresco party spot with a central bar and four stools, BBQ and TV. For those wishing to keep to their fitness regime, this deck doubles as an outdoor gym with access to a spin bike, yoga mats, free weights and a TRX system.

SERENGETI is fully equipped with a 10.3m (34ft) regulator centre console tender (with a dayhead), a 5.5m (18ft) Novurania expedition tender and complete sport fishing set-ups on the yacht and tenders. As for the toys, to name just a few, there are two three-seater waverunners, tandem kayaks, wakeboards, fun inflatables and a dive compressor.
