

SERENITY

SERENITY

APERÇU.

Extensive accommodation is one of the main features of this voluminous superyacht. SERENITY offers accommodation for 30 guests in fifteen cabins comprising a master suite with balcony on its own private deck, six VIP suites, five double cabins and two twin cabins, all of which include en suite facilities. To service the guests onboard there are 31 crew.

There are large windows on the main deck that give a panoramic view in the formal dining area as well as an abundance of natural light. The dining area is complemented by a large central bar. Notable features on SERENITY are the large well equipped gym, cinema, massage room and beauty salon, beach club, sauna.

She has an extraordinary amount of exterior deck space for relaxing and enjoying life on board. On the sun deck there is a large jacuzzi surrounded by sun pads and sun loungers as well as a lounge area aft. The master deck has a large terrace aft with abundant seating around the edges and a private dining table for 10 guests. The upper deck aft has a variety of seating areas for open air dining and snacking during the day and there is another lounge area on the main deck aft.

Originally built in 2003 by Austal Shipyards in Australia as a mini cruise ship, SERENITY was rebuilt as a private superyacht in 2017. She features exterior design from Luiz de Basto and AskDeco for the interior design. Her top speed is 17 knots and SERENITY offers a maximum cruising range of 2,000nm at 12 knots powered by twin 1,073hp MTU diesel engines.
