

SEVEN SINS

SEVEN SINS

OVERVIEW.

It is no surprise that SEVEN SINS won a raft of awards and recognition from the superyacht fraternity when she launched in 2017. This yacht is the last word in design and function, from the glass-bottom pool to the drive-in tender dock. Acclaimed as 'remarkable' you really need to stay aboard to discover all that she has to offer.

The five guest cabins include the master suite, secluded and private in the forward part of the main deck. In the morning you will wake in your linen sheets to hazy light coming through the sheer blinds. The other four cabins are all designed with the same sleek white-wall and muted-tan woodwork, creating a calm, zen-like ambience.

Take a walk around the decks before breakfast or go for a swim from the beach club astern. Breakfast is served al fresco on the upper aft deck, where a large table sits all 10 of your party. The Italian-chic vibe continues here with modern furniture on the pale teak deck. Cool breezes lift off the sea as you take time with your friends and family to chat about the day ahead.

The children love to swim in the glass-bottom pool on the main deck, and dive down to wave at people in the beach club. From below the sun through the water throws a lightshow around the club. Pontoons drop down on either side with swim ladders reaching down into the water, and space for loungers to look out over the aqua sea.

This beach club adapts to allow the tender garage to flood and the chase boat to drive in. With clever engineering, the floor lifts out of the way to store the boat, and then back into position for your use. There is a raft of watertoys to try too: from an inflatable trampoline to jetskis and SeaBobs.

After an energetic morning you will be ready for lunch on the sun deck. Up here is another dining area, plus a bar and sofas for everyone to relax. Take your time to savour the seafood platters and fresh local produce, you are on the holiday of a lifetime...

Planning a low-key afternoon, you ask the captain to give you a tour of the coast to find the perfect anchorage for swimming and snorkelling. From the bridge you see this 52.1m (171ft) yacht navigate with steady ease - thanks to her high-tech stabilisers.

By evening you are all sun-kissed and on a holiday-high. The mixologist is creating cocktails in the main lounge bar and you are all in the mood to party. Kick off your shoes and put on your favourite tunes, you are living the charter life.

Key features

Winner of the Displacement Motor Yachts Below 500GT n the 40m and Above category at the World Superyacht Awards 2018

Beach club at sea level

Exercise equipment
