

SEVERIN'S

SEVERIN'S

APERÇU.

If you succeed in booking SEVERIN'S, you have picked a winner. Launched in 2020 and brand new to the charter market, inside she looks like a sumptuous luxury hotel, with beds you just want to sink into, an elevator to all decks, beach club with watertoys galore and a huge cinema screen - all finished to the highest standard. Add to that a captain and crew chosen for their experience and local knowledge, and you have the ingredients for the charter of a lifetime.

The unique curved design of the master suite creates an intimate space, with his and hers bathrooms, a walk-in wardrobe and office all radiating off this central area. You may be tempted to stay in bed, but the sun is beckoning and breakfast is served on the upper aft deck. The crew are blending smoothies, and chef is ready to create your perfect meal.

Take the steps astern and you will find the beach club opens on two sides to create an extra-large space. The gym is also here, with a 6m (19.7ft) screen to keep you focussed while you work out. The crew have the water toys tethered astern, including two Sea-Doos with audio systems, SeaBobs, wakeboards and towable inflatables for the adrenalin junkies. If a snorkel or SUP is more your speed, the equipment is there for you, with wetsuits and rash vests.

For those who would rather take a dip in the glass-fronted pool, head to the 150sqm (492.1sqft) sun deck with a bar by the pool, shaded outdoor lounge and acres of deck for sunbathing. This is the deck to host a stylish party, or just to while away a morning enjoying a little me-time (you could also pop to the upper deck for a massage at the on-board spa).

In the Mediterranean, the captain will take you to secret coves that are only found by boat. The yacht's Castoldi 21 tender with 260hp can land on the beach— ideal if you have little children who want to play in the shallows and make sandcastles. On the way to the next harbour the crew and some of your party take the tender on a fishing trip – there are more crew than guests aboard SEVERIN'S so everyone is catered for.

As the day ends, the children are in the playroom on the upper deck for a movie night, and you find your way to the main lounge bar. Relaxing with a cocktail in hand, you are all dressed up with somewhere to go - tonight you are dining aboard in the elegant dining room and then going ashore to sample the legendary nightlife this town has to offer...
