

SILVER DREAM

SILVER DREAM

OVERVIEW.

With her distinctive silver and black profile, SILVER DREAM is instantly recognisable. Renowned for her sophisticated styling and exceptional crew, she remains a perennial favourite among charter guests.

SILVER DREAM cleverly maximises her interior space with an expansive main saloon and dining area. The elegant silver and black theme continues throughout, accented by striking Aboriginal artwork. The bridge deck sky lounge offers a tranquil retreat, featuring a calm, neutral colour scheme and large windows that flood the space with natural light.

The thoughtfully designed sun deck provides ample seating and sunbathing space under collapsible parasols, while the aft jacuzzi offers a refreshing escape for guests to plunge in and cool off. For the ultimate space to relax in private, the luxurious double sun pad, forward of the bridge, provides breathtaking views. Enjoy pre-dinner cocktails on the bridge deck before the crew serve a spectacular al fresco dinner at the circular table on the main deck aft.

The supremely spacious full-beam master suite incorporates a seating area, study, dressing room and his and her bathrooms. Gently curved shapes and warm tones create a peaceful ambience. Two double and two twin cabins on the lower deck offer a welcoming retreat for other guests at the end of the day.
