

SILVERTIP

SILVERTIP

APERÇU.

Embodying the ethos of quintessential sailing, award-winning SILVERTIP awaits to offer an extraordinary, family-friendly experience.

Once the crew has stowed the sails and the anchor's down, huge swathes of teak offer guests no end of possibilities. Stretch out to sunbathe on the aft deck's sunpads or take the steps down to the folding swim platform for a cooling dip or to enjoy the many thrilling tow toys behind the yacht's 4.5m (14.8ft) tender.

From the drawing board of the renowned Dubois studio, she is expertly built for both performance and comfort. The guest deck lounge remains completely line-free for total safety and a dodger over the companionway shelters you from the wind without blocking the views forward. There's a bar adjacent too, for refreshments underway.

For a more sedate experience, you can explore the anchorage on paddleboards, zip silently about on the flyboard or even join the crew on a fishing expedition. There are also six sets of scuba diving equipment and a compressor so you can get up-close to the reefs and marine life beneath the waves.

If you want to escape the midday heat on deck you can enjoy lunch at the dining table below in air-conditioned comfort with views and plenty of natural light from large hull ports and skylights. After lunch you can relax in the lounge opposite as the captain and crew set sail for the next extraordinary destination. A deserted anchorage, a bustling fishing port or a grand city marina, the choice is yours.

Come evening, after toasting the sunset with a cocktail on the foredeck, it's time for supper and the chef has excelled yet again having whizzed ashore to find the finest, freshest produce available. After dinner your digestif slips down and the conversation flows as the state-of-the-art sound system provides the soundtrack.

At bedtime, SILVERTIP has very family-friendly accommodation for seven comprises a full-beam master cabin with an island double berth aft plus another guest double cabin and a twin cabin with an additional berth.

Principales caractéristiques
