SILVER WIND

OVERVIEW.

Built in 2014 by ISA Yachts, SILVER WIND is tri-deck planing composite motor yacht, boasting an impressive and elegant interior designed by the award-winning and celebrated Nuvolari & Lenard.

She is the latest hybrid-powered ISA 140, focused on elegant yet relaxed lifestyle, balancing light indoor areas with generous outdoor deck spaces, and creating an open environment that emphasizes panoramic sea views while ensuring privacy.

Meticulously designed to offer the ultimate in modern elegance and luxury, her stylish and serene interior incorporates the finest materials such as gold leaf and Canaletto walnut.

Not only is her interior impeccably styled; her exterior design is the work of Andrea Vallicelli which carries a bold and dramatic feel from the exterior through into the interior spaces. Strong diagonal lines run from the sundeck to the stern, mirroring the flair of the distinctive sweeping staircases.

With her four cabins (including one convertible into a gym), SILVER WIND can accommodate 8 guests, who can enjoy navigation and at-anchor relaxing moments on the yacht extensive outdoor spaces, a huge sundeck and a cosy beach area with a generous swimming platform. Comfort at anchor is guaranteed by fixed fin stabilizers with electric actuators.

SILVER WIND also provides guests with plenty of deck space and a multitude of areas in which to unwind, entertain or simply take in the pleasures of being at sea.

This stunning yacht has a unique hybrid propulsion system which allow her to cruise under different modes from the most economical to the fastest and quietest one.

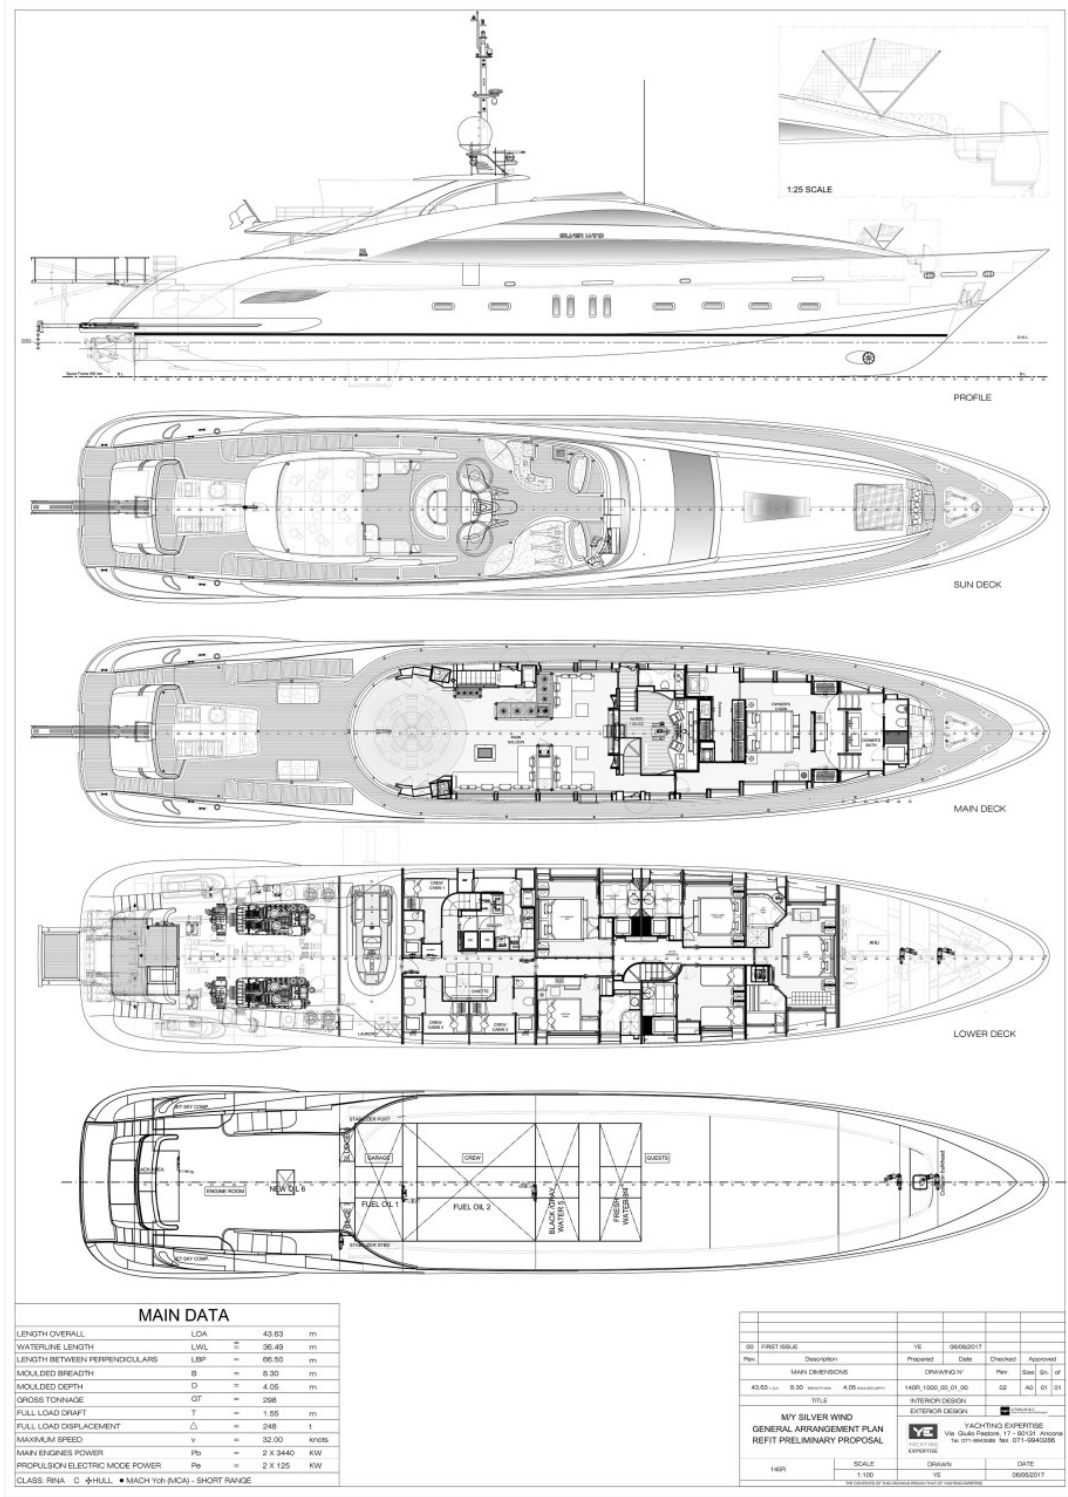

Key features

Custom, eye-catching metallic exterior paint

Sleek interior design with silk wall panels and high gloss ebony and walnut finishes

Accommodation for 10 guests in five cabins

Hybrid propulsion system with different performance modes
