

SILVER WIND

SILVER WIND

APERÇU.

With her sleek and sporty metallic exterior, SILVER WIND is instantly recognisable. The Italian styled exterior and interior along with a top speed of 26 knots make her a first choice for glamorous coastal cruising and island hopping. Perfect for those wishing to experience a different port or anchorage every night and enjoy the efficiency of speed!

Lavish materials and attention to detail define the interior character. Throughout, soft furnishings of neutral cream and powdery blue tones work beautifully against the walnut and rosewood wood features. During the 2018 refit, a fifth guest cabin was created for added flexibility extending her capacity to sleep 11 guests in five cabins. All are equipped with iPad control systems, Apple TVs and are subtly decorated with colour schemes designed to echo the beautiful mosaic tiling in each en suite.

Unusually, the main deck dining area is positioned at the aft deck entrance so you can enjoy the views without compromising on privacy. The circular table accommodates six, eight or 12 thanks to her hidden extensions stored in the surrounding wall.

With waverunners and SeaBobs, SILVER WIND does not fall short on the toy front. You can enjoy the watersports from the swim platform before sipping a cocktail and relaxing on the sun deck alongside the jacuzzi. An elegant 43m yacht with ample outdoor areas to enjoy the sea.
