OVERVIEW.

SONG OF SONGS is a 42.2m (138.5ft) motor yacht constructed in GRP to RINA classification and delivered in 2022 under the Cayman Islands flag, to a single interior and exterior design vision by Italian studio VYD Design.

She was constructed by Heysea Yachts near Hong Kong, a shipyard currently ranked 12th in the global order book, where construction was overseen throughout by a highly experienced duo of a build captain and project manager.

The design features extensive use of glass, floor to ceiling in many of the shared guest spaces, and there are large, glazed bulwark cut-outs on the main deck to deliver infinity views from within. Inside the main saloon there is a dining room forward separated from the lounge and bar area by a large TV screen.

A large sun deck, the forward part of which is shaded by the hardtop, features open-air dining for 12 guests, with lounge seating to starboard and a fully equipped bar to port. Aft is a versatile area for entertainment, exercise or sun lounging.

There is another lounge on the main deck aft and steps lead down to the air-conditioned beach club cabana with sliding glass doors. From the main deck aft, sidedecks lead to steps up to the foredeck where there are sunpads and a jacuzzi.

SONG OF SONGS welcomes 12 guests in six suites including the upper deck owner's suite, which faces aft and overlooks a private terrace. Three double suites and one convertible suite complete her family friendly accommodation.

Twin Caterpillar diesel engines give her a lively top speed of 19 knots, a cruising speed of 13 knots and a maximum range of 2,000nm. There is a lower deck tender garage just forward of the beach club and tenders launch on horizontal davits through shell doors.

Key features

Brand new 2022 delivered yacht, with RINA Class and Cayman Flag
