

SOUNDWAVE

OVERVIEW.

Launched in 2015 by the prestigious Italian yacht builder Benetti, SOUNDWAVE was immediately recognised as one of the greats, winning a World Superyacht Award in 2016.

She possesses a striking axe bow with vertical blade, a feature which enhances the fuel efficiency of this world cruiser. Crafted by the owner's personal design team, her interiors draw inspiration from the Art Deco period, combining cool beiges, dark browns, whites and creams accented with textured fabrics and hand crafted, one-of-a-kind pieces throughout.

She offers flexible accommodation that is ideal for family groups. The full-beam VIP suite sits on the main deck and is as large as the master, with its own, separate lounge and spacious bathroom. The master is on the upper deck and comes complete with its own private deck and 180 degree views, jet pool and sunbathing area. There is also a nursery room with a cot adjacent to the master. The four other guest cabins are on the lower deck and are all doubles, though two can convert to twins if preferred.

The exteriors are extremely well designed, offering a variety of areas to enjoy throughout the day: a split-level sundeck with large jacuzzi pool, bar, seating and sunbathing, dining on the upper deck aft and a very welcoming exterior lounge on the main deck aft.

For those wishing to relax, the spa, complete with treatment room and steam room will be appreciated, but once energy levels are revived, the choice of watertoys will not fail to impress as well!
