

SQUALO

SQUALO

OVERVIEW.

Built in 2018 by Sanlorenzo, this will be the first time that this striking yacht is available for charter. She is like new, and one of the very few yachts of her size able to accommodate eight guests in four cabins – there is room for all! Her shallow draft ensuring access to all anchorages.

One of Sanlorenzo's most popular models – the SL86 – SQUALO's modern, sporty design is sure to wow her guests. Outside, there is plenty of space to soak up the sunshine, and inside her light-filled spaces are a luxurious retreat. SQUALO's crew of four will ensure an unforgettable charter that will leave guests counting down the days until they can return on board.

The main salon is sleek and elegant, which has a large lounge seating area, with bar and hidden television. A dining table is located forward of the salon, with seating for all guests to enjoy a special meal. The interior has a very bright and airy feel. The eucalyptus woods throughout are beautiful. The Carrara marble used throughout the boat was sourced directly from the Carrara mountains right near the shipyard in Italy. No details has been overlooked. Leave your charter menu in the capable hands of SQUALO's creative chef, who will make use of the freshest ingredients to craft meals to remember.

A floating staircase leads up from the main salon to the open concept flybridge, which is a multi-purpose space with many different features. Sun loungers and lounge seating are complemented by a sheltered al fresco dining space for the best seats in the house. The hardtop opens above the dining space if required allowing natural sun light. Guests experience 360 degree views, privacy, dining for 8, 2 large comfortable Paolo Lenti chairs to curl up in, a large wet bar with grill and 3 stools, refrigerator, ice maker and sink, 3 large sunbeds, outdoor TV, and a shower to cool off with. Awnings are available to cover the remainder of the deck when the sun is too hot.

Huge sunpads on the forward deck convert into a seating and coffee table area for afternoon tea or evening beverages.

The main aft deck is home to sofa seating, loose furniture and a convertible table for cocktail or dining. Twin staircases lead down to the easy-access swim platform. SQUALO's guests can take full advantage of her extensive collection of water toys and equipment, which includes the towed 23ft Boston Whaler Vantage tender for enjoying water sports or adventures to the shore. A three-seater WaveRunner is perfect for speeding through the water together, and a JetSurf motorized surfboard is sure to thrill. There are plenty of water toys to choose from including snorkeling gear, inflatables, fishing equipment, wakeboards and paddle boards. Cruising speed at 20 knots, or an economical speed of 11 knots, zero speed stabilizers ensure maximum comfort.
