STARSHIP

# APERÇU.

STARSHIP completed an extensive 18 month rebuild in 2014, including a 7.6m/25ft stern extension that has created vast deck spaces on three levels.

This exciting new space includes an outdoor cinema with a 132" screen, a new, oversized, waterfall jacuzzi with a swim-up bar on two sides, sauna, gym equipment, spacious outdoor dining area and luxurious sun beds. The pristine new beach club has created a whole new area for guests to unwind in, or deliberate over which watersports to try out next, while the crow's nest provides spectacular panoramic views from a table, chairs and sun pad high up on the mast.

STARSHIP's stunning new interior features magnificent white marble throughout, and ornate fittings brushed with 22 karat gold leaf. The sky lounge boasts a state-of-the-art curved TV that is connected to a submarine camera showing the tropical ocean below. Or guests can enjoy a banquet created by the world-class chef in the plush dining room on the main deck.

This yacht accommodates up to 12 guests in a master suite, VIP and four double cabins. The brand new VIP suite was created on the upper deck, allowing guests to relax in bed while enjoying a 180 degree view of the ocean.

STARSHIP is a truly unique, world-class charter yacht, with a professional, international crew.

Please note that images still show the previous name of the yacht. New imagery to be confirmed.
