

ST DAVID

ST DAVID

OVERVIEW.

Built by Benetti and designed inside and out by Winch Design, ST. DAVID is a great example of a pedigree Italian superyacht. Designed expressly for charter, she has excellent credentials and a stellar charter reputation.

Boarding ST. DAVID, sit back and relax on the large main deck sofa with a refreshing drink while being introduced to your award-winning crew. From here, step through the sliding doors to the opulent bar area preceding the main lounge, the perfect place for pre-dinner Martinis. Moving through the main saloon and formal dining area to the ornate floating staircase at the centre of the yacht, your crew will escort you to your cabin. ST. DAVID accommodates up to 12 guests in six opulent cabins, including a split level master suite. Located on the main deck, the master suite includes a private study, his and hers bathrooms, and one of the finest sleeping quarters to be found on any yacht, with steps leading up to the raised area where the bed is topped by a skylight and affords 180-degree views forward. Further guest cabins include a VIP suite and four flexible double cabins, all located on the lower deck.

Once settled, head outside to discover the yacht's multi-dimensional entertainment spaces spread over her three decks. You will most likely choose to spend the majority of your day on the sun deck for al fresco living at its very best. Take a dip in the jacuzzi, relax on the sun pads, dine, drink and play to your heart's content. When the sun gets too hot, take refuge on the upper deck. The sky lounge is one of the yacht's best features and is also where you can enjoy a semi al fresco dining experience with large sliding doors open to the aft deck.

With so much to do on board, you need never set foot ashore. Get your pulse racing with a workout in the indoor/outdoor gym, complete with fresh air and sea views, or dive off the swim platform for a refreshing dip. Younger guests will be drawn to the swim platform like magnets, and ST. DAVID's crew will ensure they are kept entertained with a huge selection of watertoys for them to use while you abandon yourself in the luxurious spa, perhaps even with a massage from the on board masseuse.

Once the sun goes down it's time to make the most of the bar in the main saloon followed by dinner in the sophisticated dining room. After this the choice is yours – bar, disco, movie, or straight to bed ready to repeat it all again the next day.
