

STEEL

STEEL

APERÇU.

Designed for both long range exploration and comfortable cruising, STEEL is the perfect charter yacht for those looking to venture further afield. Built to the most exacting standards by the Pendennis shipyard in 2009, her robust, ice class hull and elegant interior houses every imaginable guest feature that one would expect from a superyacht, with the added benefit of her exploration capabilities.

The first thing you note as you step on board STEEL is her multipurpose decks. Designed to be used in every climate, they offer uninterrupted living spaces. Head up to the top deck and relax in any one of a number of outdoor spots designed to offer her guests maximum privacy. Choose from two large sunbathing areas, separated by a deckhouse that houses an air-conditioned gym and steam room. Stepping down to the bridge deck, enjoy a leisurely lunch relaxing on the classic deck furniture beneath the shade of a canopy. Here you will also find a large jacuzzi and, with the tenders removed, more sun lounging space.

Come the afternoon, the main deck is the place to head for further relaxation. A large exterior lounge area and dining for up to 10 guests is sheltered from the elements and decorated in a traditional nautical style. While away a few hours here reading a book or simply catching up with fellow guests, until the hot sun begins to cool and you can enjoy the watertoys on offer. Her toybox carries both jetskis and towable toys, as well paddleboards and kayaks, allowing you to access secluded coves and explore the local coastline. All of her toys can also be accessed with great ease from an inflatable Aquaglide pontoon.

Back on board, head to the foredeck where an informal seating area provides a welcome retreat and a perfect place to enjoy sunset cocktails. Stepping inside to STEEL's accommodation to freshen up you will find her harmonious and supremely classic interior warm and welcoming. With plentiful reception areas decorated with intricate wood panelling and lavish antique furnishings, they have the feel of a gentlemen's club. Her accommodation, meanwhile, will ensconce you in luxury. Seven beautifully designed cabins consist of a master suite, a VIP suite and four twin cabins with Pullman berths. She also accommodates 12 crew, ensuring the ultimate charter experience and spectacular service at all times.
