SURI

OVERVIEW.

For those who love adventure and an abundance of toys for exploring by land sea and air, there can be few yachts more exciting than SURI.

Whether you arrive by helicopter, seaplane or one of the five tenders including the glorious 9.1m Stan Craft Speedster, you know you're going to have fun on SURI.

Take the yacht's motorbikes or mountain bikes to the beach in the 7m Munson landing craft tender to explore ashore while the crew sets up the beach BBQ. Send up the seaplane for a bird's eye view of your destination or take the helicopter to find snowy peaks for heli-skiing.

Go sport fishing in the fully equipped 11.3m Intrepid tender, feel the adrenaline on an amazing selection of watertoys in this approved RYA training centre, sail the yacht's classic dinghy or explore underwater scuba style with the yacht's own PADI dive master.

She ticks all the superyacht boxes, with al fresco dining shaded by awnings and a large jacuzzi on the sun deck with an observation lounge delivering amazing views forward. Workout in the lower deck's dedicated gym, watch movies in the media room - if you can tear your eyes from the windows in the floor that bring marine life into view. Enjoy a massage in the spa then cleanse with a team bath, it's all possible on SURI.

She has a glass enclosed lounge on the bridge deck overlooking the helipad, a sky lounge with bar and dining table and a Portuguese bridge forward of that. Her upper deck has a master suite with his and hers bathrooms and a private office along with four VIP suites, each with huge picture windows. A further double cabin and twin cabin on the lower deck complete accommodation for 12 in seven guest cabins and 20 crew attend to your every need.

Charter SURI for the unforgettable adventure of a lifetime and release your inner explorer.
