

SYCARA V

OVERVIEW.

Enjoy the freedom to go anywhere and do anything on the award-winning SYCARA V. With a 9,800nm range, her wide selection of lounges and decks complemented by wellbeing facilities and an enormous master suite mean you are sure to feel at home, even for an extended adventure on board.

Wake from a refreshing night's sleep in the master suite and choose between breakfast on your private deck or joining everyone on the main deck aft. The convivial and versatile dining space leads seamlessly onto the interior dining table when the full height sliding doors are opened.

SYCARA V's inventory of watertoys features all the greatest hits, from jetskis, wakeboards and waterskis to kayaks and inflatables. With a large swim platform and lounge, bar and shower, the beach club is a popular base for a morning's aquatic activities.

For privacy, the Portuguese bridge's deck lounge features plush sofas and a triple sun pad, while the inner sanctuary of the lounge is hard to beat for a morning coffee, with music from the piano and uninterrupted seascape views. SYCARA V's elegant, modern decor is bright and tasteful, with her zero speed stabilisers ensuring comfort at anchor.

Take the elevator to the sun deck to find a delightful setting for lunch, cooked on the grill and served at the shaded circular table. Afternoons are often spent on the sun deck, perhaps with a workout and massage in the gym and spa, before a dip in the large jacuzzi and rest on the various sun pads and sofas nearby. The children enjoy a movie in the library lounge, while the sports fans watch a game at the lounge bar with snacks and a glass of something refreshing.

As day turns into evening, head to your cabin to change. The master suite is like a deluxe penthouse, spanning the upper deck's aft section with impressive views through sliding glass doors, leading to the private deck with its table for 12. The his and hers onyx bathroom has a steam shower and jacuzzi, and there is a study and adjacent single cabin with pullman for staff or children. Guest accommodation on the lower deck includes four double cabins, two with pullman berths, and a single cabin with a pullman berth.

Romantic sundowners are served on the Portuguese bridge for a stunning view of the anchorage, before you are whisked away to a nearby shoreline by tender to enjoy one of SYCARA V's famous beach BBQs, with lively music and barefoot dancing on the sand.
