SYMPHONY

APERÇU.

SYMPHONY is the first Feadships to exceed 100m. Delivered in 2015, she showcases their technical and design prowess. Her contemporary and spacious interior and plentiful deck spaces over six decks were created for the ultimate in family fun. From her sun deck lounge to her large terraces and dedicated owner's deck, she is packed full of amenities to give her guests the best possible charter experience.

Catch the sunrise from the comfort of the sun deck lounge, before taking a refreshing dip either in the six metre glass-bottomed pool, or in the ocean via the swim platform. Take breakfast on the bridge deck, where an outdoor lounge area and large dining table provide ample seating and a great place to plan your day.

Lunch is served at the Teppanyaki bar on the sun deck, after which it's time to try SYMPHONY's numerous watertoys. Spend the afternoon discovering the coastline aboard her jetsurfs and jetskis or messing about with her numerous towable toys. SYMPHONY's 30-strong crew will be on hand to help you master the skills required.

Back on board, make for the lower deck wellness centre with sauna and hammam, head up to the main deck for a swim in the large pool with jet stream current or workout in the fully-equipped gym. There is even an automatic golf tee-off platform for the golfing enthusiasts who might be missing their regular round at home. Every workout deserves a reward though, and SYMPHONY's facilities are dedicated to relaxation. Whether you want a massage from the on board masseuse or a beauty treatment in the salon, or simply to relax in your sumptuous accommodation, come dinner time you will surely be fully refreshed for a night of revelry.

Kick off the evening's entertainment with a sundowner in the comfort of the sumptuous seating area on the owner's deck aft, followed by a gastronomic extravaganza served al fresco style on the same deck. For a more formal occasion, why not ask the crew to set up an alternative tablescape in the main deck dining room. Dinner is followed with more choices. Settle into the plush tiered seating for a movie in the lower deck cinema, or alternatively out on the bridge deck outside cinema, or perhaps you'd rather dance the night away in the dedicated disco area located on the lower deck. However you wish to spend your evening aboard, SYMPHONY's crew are on hand to ensure your every whim is catered for.
