T54 (02)

OVERVIEW.

The second hull in Baglietto's highly anticipated T54 series, T54 (02) represents the next evolution of the Italian shipyard's successful T-Line platform. Designed by Francesco Paszkowski, this 54-metre steel and aluminium superyacht combines striking contemporary styling with remarkable volume, intelligent spatial planning and an unrivalled connection to the sea. Delivering under 500GT, T54 (02) offers the amenities and lifestyle typically associated with much larger yachts while retaining the efficiency and versatility of a more manageable platform.

At the heart of the design is an exceptional three-level beach club, creating a true waterside retreat complete with an infinity pool, expansive lounge spaces, wellness facilities and direct access to the sea. Floor-to-ceiling glazing throughout the main deck floods the interior with natural light, while the owner's suite benefits from a private ocean-view veranda, providing a rare sense of privacy and exclusivity underway.

Designed for extended cruising and effortless entertaining, T54 (02) accommodates up to 12 guests across six luxurious staterooms and is supported by accommodation for nine crew. Powered by twin Caterpillar engines with provision for advanced hybrid propulsion technology, she combines long-range capability, reduced emissions and enhanced onboard comfort.

With her expansive 146sqm sundeck, seamless indoor-outdoor living spaces and innovative lifestyle-focused layout, T54 (02) embodies Baglietto's commitment to contemporary luxury and refined Italian craftsmanship.
