

TAIBA

TAIBA

APERÇU.

To charter TAIBA is to discover her boundless potential, made possible thanks to her wide selection of adaptable social spaces. Across five decks, she features five lounges and six separate deck areas, plus a large swim platform. Add in a flexible cabin arrangement and plenty of fun lifestyle amenities, and she makes a great charter choice for multigenerational families and large groups of friends.

Start your morning on board with a refreshing swim in the sea and quiet cup of coffee on the swim platform before you head to the upper deck to join everyone for breakfast. It won't take long before everyone wants to dive into TAIBA's selection of watersports toys. From towable inflatables to jetskis and activities that challenge your balance like waterskiing and wakeboarding, there's something for everyone. The giant inflatable waterslide is popular with guests of all ages; test your courage as you hurtle down from the sun deck while live streaming your experience.

If you're in the mood for morning relaxation, take your pick from a wide range of spots to soak up the surroundings while enjoying a moment of peace. The Portuguese bridge offers a large bank of sun pads by the bow, and the views from the fly bridge bar are hard to beat.

Take a tender ashore for a little retail therapy before heading back to TAIBA to enjoy a delicious lunch on the upper deck aft. Then make your way up to the sun deck to take a dip in the large jacuzzi with surrounding sun pads and optional shade.

Enjoy an afternoon movie in the cinema room, with its oversized comfy sofa, take some time for yourself in the private seating area of the upper deck forward, or simply enjoy a reviving massage.

TAIBA has a relaxed and modern decor that encourages you to feel at home. She sleeps up to 12 guests in seven cabins, with an additional staff cabin available. Her large master suite features a custom made bed, large walk-in wardrobe, beautiful marble bathroom, private study and full-height sliding windows leading to the private balcony. There is a VIP suite on upper deck alongside three double cabins and two twin cabins on lower deck, all convertible.

Evening cocktails are served on the fly bridge for the most spectacular of sunset views, then you descend for dinner in the circular bridge deck dining area, surrounded by beautifully crafted panels of butterflies in flight, followed by a final nightcap in the neighbouring sky lounge.
