# OVERVIEW.

Boasting an enormous open plan sun deck and an eclectically styled interior with Art Deco features, TALISMAN MAITON is a perennially popular yacht.

Her eye-catching interior blends Asian influences with Art Deco touches to create lavish entertaining spaces that are also supremely comfortable to live in. The more formal main salon and dining area is offset by the relaxed setting of the sky lounge, with its large, curving corner sofa and wide opening onto the bridge deck aft.

TALISMAN MAITON has fantastic outdoor spaces, with extensive covered seating, al fresco dining areas and a platform above the sun deck offering sensational 360 degree views at sunset. The forward-facing jacuzzi is a pool with a view, and low profile glass shields surround the forward section to provide shelter from the wind. Six individually styled "boutique" cabins provide sumptuous accommodation for 12 guests. The eclectic master suite has an adjoining dressing room, an office and an en suite bathroom with a jacuzzi bath and shower. The VIP cabin is also positioned on the main deck, while the two double and two double/twin convertible cabins (each with a pullman berth) are located on the lower deck.

With an on board gym and plenty of hair-raising watersports equipment, TALISMAN MAITON offers the full superyacht experience.

TALISMAN MAITON's luxurious living spaces and vast outdoor areas are further enhanced with zero speed stabilisers, increasing comfort at anchor.

Thanks to her many features, TALISMAN MAITON has proved to be a successful charter yacht.
