# OVERVIEW.

Few charter yachts can rival the master suite of TATOOSH, let alone everything else this wonderful 92.4m (303.1ft) yacht can offer you and your guests. From the moment you embark, TATOOSH's experienced and attentive crew will be there for you. Once on board, you can make your way to your master suite.

Her master suite is spread over two decks – the forward portion of the main and upper deck – and this palatial space and the family suite and lounge from the rest of the yacht can be closed off from the rest of the yacht. Even so, it allows your guests access to the observation lounge, owner's office and private gym if required, TATOOSH's layout can give you total privacy to relax. With a total of 14 spacious and classically-styled guest suites, none of your party will feel left out.

When not enjoying time with your family in the suite you have the rest of the yacht or yachts to enjoy – TATOOSH has a 13.1m (43ft) racing yacht ready to launch from her boat deck. Perhaps you, your family and guests would like to enjoy a film in the yacht's cinema or a swim in her 5.5x3.7m (18x12ft) swimming pool. You'll always find plenty onboard to fill your time. One of the outstanding areas on TATOOSH is her main aft deck poolside area. Here you'll find many areas to relax, in the al fresco lounge area or the al fresco dining area. When the pool isn't in use, the bottom of the pool raises to create a dancefloor.

The aft deck leads directly into the yacht's vast saloon, then onto the formal dining area. These spaces, with the classic charm of wood panelling and wooden floors and a neutral colour scheme, were designed by Terence Disdale. Another wonderful space to unwind is the upper deck lounge. It features a grand piano and music centre and you can relax here either before or after dinner at the al fresco formal dining area on the upper aft deck.

During the day TATOOSH has a host of toys and water sports equipment (including 4 PWC, and towable inflatables) to keep you and your party fully entertained. The beach club area has a dive centre with a recompression chamber, a large jacuzzi, sauna and bar area.

Wherever your charter on TATOOSH takes you, you can be assured that you and your guests will have a fantastic holiday.
