THE BEAST

# OVERVIEW.

**THE BEAST is robust, rugged, and ready for adventures across the South Pacific, accommodating 12 guests. A 13m (42.7ft) 19-tonne, fully kitted-out custom sports tender, BABY BEAST, accompanies her. Freezer rooms and live bait tanks cater to serious big game fishing enthusiasts. A shallow 2.5m (8.2ft) draft allows access to secluded locations inaccessible to other yachts.**

Inspired by military vessels, yet uncompromising when it comes to luxury and comfort inside and out, THE BEAST was built for an extremely experienced owner and delivered in 2019 by New Zealand shipyard Profab Engineering. Her refined muscularity earned her a World Superyacht Award in 2020 for yachts under 499GT.

After experiencing the natural world up close, guests can celebrate their catch at the sun deck's sit-up bar, enjoying it freshly grilled Teppanyaki-style. Relaxation options include the forward observation lounge forward or sun loungers aft. Further open-air dining is available on the bridge deck aft, along with lounge areas fore and aft for after-dinner drinks. An intimate shaded lounge on the main deck aft offers a tranquil space to watch the world go by as you explore the open water.

Inside, cool, contemporary relaxed interiors are bathed in natural light, giving guests opportunities to make the most of the spectacular views. The bridge deck features a media lounge where you can watch footage of the day's action and there is formal dining and a lounge on the main deck.

More than just a luxurious charter yacht with a crew of nine, THE BEAST possesses a thirst for thrills, an appetite for action and a crew that can't wait to deliver both. If that sounds like something you need in your life, get in touch and organise your yacht charter with Burgess today.
