

THE STAR

THE STAR OVERVIEW.

Elegant, spacious, and exceptionally versatile, Benetti's THE STAR is fresh from an extended refit in 2025-2026 and available for charter throughout Greek waters. The perfect charter option for families and guests seeking a cosy, home-like atmosphere, relaxed cruising, and flexible living spaces.

The expansive and beautifully arranged exterior decks of THE STAR are a defining feature. The sun deck is the heart of the yacht, where guests can enjoy a cooking bar, teppanyaki, large round bar, and home cinema set-up for dining, relaxation, and parties. Elsewhere, enjoy multiple areas for sunbathing, entertaining, and al fresco dining while enjoying uninterrupted panoramic views of the Mediterranean.

Inside, guests are welcomed into a bright, classically modern interior where elegant finishes and an inviting atmosphere create a refined on board experience. The spacious main deck lounge provides comfort, style, and versatility throughout the charter with its bar and large TV, while the sky lounge hosts up to 12 for formal dining with wraparound windows that open for an indoor-outdoor dining experience. The lounge can also be closed off from the dining area to create a private sleeping space, with the sofa converting into a double bed.

For overnight accommodation, THE STAR offers exceptional flexibility. She welcomes up to 12 guests in five luxurious cabins, including a full-beam master cabin with his and hers facilities, large walk-in closets, private 360-degree viewing area, and an office. The remaining four cabins are on the lower deck, including two VIPs and two twins with additional pullman berths – ideal for groups or families travelling together. For accessibility, an elevator serves all guest decks, while on board gym equipment includes a treadmill, weight bench, dumbbells, and an additional rowing machine for keeping fit at sea.

For guests seeking leisure and adventure, THE STAR is equipped with a large selection of watertoys, perfect for enjoying Greece's crystal-clear waters at anchor. From zipping across the water's surface on a jetski or relaxed paddleboarding to exploring deserted beaches courtesy of her 9m (29.5ft) chase boat, there is something for guests of all ages to enjoy.

Combining classic Benetti elegance, remarkable space, and a fantastic crew, THE STAR stands out as a premier yacht for any Greek charter.
