OVERVIEW.

Introducing THIS IS IT, a 43.5m (142.9ft) catamaran that redefines the world of luxury yachting. Built by Tecnomar in 2024, this vessel blends groundbreaking design, exceptional performance, and unparalleled comfort. With her sleek, asymmetrical lines and over 600 sqm of glass, THIS IS IT seamlessly connects you to the sea, making every moment aboard extraordinary. She is a true masterpiece, a yacht where elegance and innovation meet to create an unmatched yachting experience.

Designed by the renowned Italian Sea Group, the yacht is as stunning inside and out. The hydrodynamic design, inspired by marine creatures, sets her apart from conventional yachts, while her ultra-modern aesthetic challenges traditional norms in yacht design. Inside, the yacht's minimalist elegance is complemented by luxe materials such as leather, Alcantara, oak, teak, and accents of gold, creating an atmosphere of refined luxury. Every detail has been carefully considered to optimise the guests' experience.

Accommodating up to 12 guests in five cabins, THIS IS IT ensures ultimate privacy and comfort. The master suite has panoramic views and a private terrace, while the guest cabins have all modern amenities. The yacht has state-of-the-art technology, including a fully integrated sound system and advanced entertainment options.

Performance is as impressive as the design, delivering a cruising speed of 20 knots. Her hull design enhances fuel efficiency while minimising emissions, ensuring your eco-credentials are also stunning. Whether you're cruising across open water or exploring hidden coves, THIS IS IT gives smooth, swift, and comfortable cruising.

For relaxation, guests can unwind in the spa, work out in the gym, or enjoy a Michelin-worthy meal prepared by the on board chef.
