

TIMBUKTU

TIMBUKTU

APERÇU.

TIMBUKTU, Baglietto 42m delivered in 2009, is an innovative Francesco Paszkowski design that optimises exterior deck space and, due to the clever layout, results in tremendous volume for a yacht of her size, making Clícia a very popular charter yacht.

TIMBUKTU's true semi displacement hull shape and her high performance twin 2700hp MTU diesel engines give her a versatile range of speeds. She cruises comfortably at 13 knots with an efficient range of 2000 nautical miles and has the capability to reach top speeds of 18/19 knots.

TIMBUKTU's accommodation for up to 11 guests, comprises a full-beam master suite, two VIP double suites, two en suite twin cabins and a third, smaller cabin which can be made suitable for guest use.

The on board décor is elegantly modern and the main saloon features floor-to-ceiling windows, which create a light and airy atmosphere. A highlight of TIMBUKTU's interior arrangement is her sky lounge on the upper deck, where guests can relax enjoying fantastic panoramic views.

TIMBUKTU boasts an expansive sun deck that accommodates a full bar, upholstered seats and plenty of sun pads that surround a jacuzzi, which is located on aft and enjoys exceptional, uninterrupted views.
