TIREA

# OVERVIEW.

**The 49.4m (161.9ft) TIREA combines pedigree craftsmanship with her permanent five-star crew, making her the perfect choice for an unforgettable charter. Cruising the Mediterranean, she's designed for soaking up the summer sun courtesy of expansive outdoor spaces.**

Among her standout features are the spacious interiors bathed in natural light, and a newly enhanced beach club complete with a gym — part of a recent refit that also increased her size. With a shallow draft and a brand-new Axopar 37 Sun Top tender, she is perfectly suited for island-hopping adventures, offering snorkellers and divers easy access to the crystal-clear waters of the Mediterranean.

## Key features

---
