TOTEM

OVERVIEW.

This fabulous 50m four-deck yacht attracts a lot of experienced and demanding charterers. All of them have reported absolute satisfaction, thanks to the yacht itself, the amazing itineraries worked up with her highly experienced captain, a supremely talented chef and a well-established professional crew that prides itself on attention to detail. The entire package delivers the complete charter experience time and time again.

Guests love outside space and TOTEM has it in abundance. There's the sun deck jacuzzi with spectacular views, sunpads aft and plenty of versatile space for yoga or al fresco exercise, plus a huge expanse of sunpads for all guests on the foredeck. On the bridge deck aft is a sun lounge, with a retractable awning, that becomes an outdoor cinema for movie nights after dark, open air dining and an intimate circular lounge tucked in at the bow. Then there's the tender garage crammed with toys that guests can enjoy from the spacious swim platform assisted by the deck crew.

Inside she has a well-equipped and air-conditioned gym on the sun deck, a sky lounge with spectacular views by day and full height sliding glass doors to open the space onto the social hub of the bridge deck aft. Inside there is semi-circular seating and a large TV for home cinema indoors. Her chic contemporary interior is showcased on the main deck with a square formal dining table for 12 guests forward, a lounge area which also acts as a home cinema with surround sound, and a fully equipped sit up bar aft where you can pick up your drink and walk onto the sun lounge on the main deck aft.

She consistently delights 12 guests, in a full beam main deck master with a private office and a his and hers bathroom with a glass bathtub as a design feature. The lower deck is home to two double cabins and two twin cabins and both twins have an additional berth to complete her adaptable family friendly accommodation.
