TOY

OVERVIEW.

Introducing TOY 43m (141ft), a Mangusta Oceanco 43 designed with outdoor living in mind. Imagine a holiday where every moment is tailored to your wishes, set against a backdrop of beautiful seascapes aboard this stunning yacht.

Spend time on the expansive Portuguese bridge, where an al fresco lounge blends into an infinity pool, with a walk-through flanked by sunpads. Enjoy a gentle sea breeze and a refreshing cocktail while taking in the splendour of your surroundings.

Enjoy the upper aft deck and savour the delightful al fresco dining area while enjoying fine cuisine and panoramic views. The stylish sky lounge ahead has sofa seating around a large TV, perfect for catching up on sports or enjoying a film in comfort.

The stunning beach club area beckons for a more casual retreat. Complete with a chic bar and secluded, low-level seating, it provides the perfect vantage point to watch watersports in action beyond the large fold-down transom, adding an element of playful excitement to time on board TOY.

On the main deck, the lounge features dark wood flooring, light furnishings, and polished metal accents, creating a stylish and relaxing atmosphere. Floor-to-ceiling windows provide a sense here and in the formal dining area ahead.

Ahead, the main deck master suite has ivory-coloured wood panels, umber-toned leather, and art deco-inspired detailing, and the suite gains natural light from large hull windows. A full-beam his and hers en suite bathroom with an adjoining shower room complements the space, while a fold-down balcony to starboard offers an ideal spot for a quiet coffee or private breakfast.

The lower deck has versatile accommodation with four double suites – including two VIP suites and two convertible twin/double berth suites – ensuring that every guest is catered for.

On the sun deck, spend time with family and friends in the al fresco lounge, the dedicated dining area, and a bar for memorable moments under the sun.

Adventure is never far away with TOY's impressive array of watersports equipment. Whether it's the thrill of two jetskis, the cutting-edge experience of an Efoil and SeaBob, paddleboards, or snorkelling gear, every opportunity to enjoy the sea is at your fingertips.

A day aboard TOY is a delightful blend of luxurious comfort, vibrant fun, and meticulous service by her highly professional crew, promising an exclusive charter experience that captivates and delights.
