TREEHOUSE

APERÇU.

There are so many amazing places to see in the Mediterranean, quaint old fishing ports, grand rivieras, deserted islands, echoing caves, pristine beaches. With such dazzling choice, it makes sense to charter a yacht that happily cruises at a spirited 23 knots so you can see twice as much than you would on a yacht that cruises at half that speed. Introducing TREEHOUSE.

This sleek, characterful yacht welcomes up to 12 guests in five cabins: a full-beam lower deck master suite with dressing room and en suite with shower room, two VIP suites, one full beam on the lower deck, one with great natural light on the main deck, and two lower deck twin cabins, each with an extra pullman berth.

Everyone loves to dine al fresco and TREEHOUSE has two outdoor options: one on the flybridge that is perfect for breakfast with nutritious smoothies from the bar, lunch too with the Bimini rolled out to shade the space from the midday sun, and another on the main deck aft shaded by the flybridge overhang.

After breakfast there's plenty of fun to be had on the yacht's toy collection. There's a three-seater waverunner for the speed freaks in your party, a SeaBob so you can dive dolphin-like beneath the wave and a powerful 4.8m Novurania tender to tow you about the anchorage on waterskis, a wakeboard and different inflatables, as well as ferrying you to and from your adventures ashore. For more relaxed enjoyment, TREEHOUSE also has two kayaks, an SUP and snorkelling gear so you can get up close and personal with the marine life.

When you're zooming between anchorages, you can sunbathe on the flybridge sun pads or promenade along the sidedecks to the foredeck sun pads and sofa seating to feel the wind through your hair and watch the scenery flash by. For a cooler experience, settle into the air-conditioned comfort of the main lounge and catch up with your feeds on the yacht's Wi-Fi.

Wherever you want to go and whatever you want to do, you can get there faster and do more of it with TREEHOUSE. Book today and anticipate a blissful experience with family and friends.
