TRIUMPH

OVERVIEW.

A recent masterpiece from Benetti, launched in 2021, the 65-metre (214ft) TRIUMPH has six decks of luxury accommodation for her 12 guests, with two separate master suites and six different outdoor spaces for living and lounging, dining and entertaining. Both the yacht and her 17 crew won major awards at the end of last season so you can expect to experience the very best of the best throughout your time on board.

Tall and assertive yet graceful and elegant, TRIUMPH's unique exterior design is a beautiful blend of timeless classic yachting motifs and futuristic Italian style. Her arrival in an anchorage or harbour is guaranteed to turn heads and elicit admiring glances, wherever you decide to sail. Her interiors strike that elusive balance between opulent, contemporary chic and the relaxed comfort of a high-end family home.

One of her stand-out features is a spectacular foredeck lounge with plush sofas, daybeds and sun loungers set up on a huge expanse of open teak deck. Another is the sundeck, as high as the crow's nest of a sailing ship, with an elevated jacuzzi as its centrepiece, sofas and a dining table well sheltered from the wind, and a gull's eye view over the sea.

The 70-square metre beach club is also quite special. A sea-level terrace folds out on the yacht's port side, opening up the large, sociable lounge which has a cocktail bar. In between the terrace and the broad bathing platform at the stern, there's a watersports dock for her huge fleet of watercraft and toys. These include a 48ft high-performance powerboat, two jet skis, three SeaBob scooters and much more. Highlights of the onboard facilities include a fully equipped gym, sauna and massage room with a dedicated beauty therapist and masseuse.

An elevator links all six levels of her accommodation. The panoramic master suite on the upper deck has a 180° view overlooking an entirely private sundeck. A self-contained apartment in its own right, this suite includes an office with study and lounge areas, a huge walk-in wardrobe and a sauna in the en suite bathroom. The second full-beam master suite, up front on the main deck, is equally opulent with its own private lounge, full-beam cabin and lavish marble bathroom. Your other guests will have luxurious double and twin cabins on the lower deck.
