UNBRIDLED

# APERÇU.

UNBRIDLED can offer you and your party an amazing charter holiday. Not only is she presented in immaculate condition following her 2019 refit, but her layout lends itself to giving you and your guests the very best onboard experience.

Many areas on board will improve your charter in ways other yachts cannot match. The master suite is one such space. As you'd expect, it has his and hers walk-in wardrobes and a large en suite bathroom (with a separate shower compartment, and a spa bath next to windows that give you a sense of place), there is a lounge space and a private office, but in addition there's an adjoining nanny/family cabin with a separate en suite bathroom and you holiday with your young family close by, and not on a different deck.

The guest suites are on the lower deck. There are two double VIP suites to the rear and two twin-berth cabins ahead, the both twin cabins offer a double and single berth as well as a pullman berth – again, increasing UNBRIDLED's versatility. But we're not finished. Invariably, there will be a guest who needs some office space, and rather than having to share the master suite's facilities, there is a guest office on the lower deck.

UNBRIDLED's long sky lounge, on the bridge deck, gives your party a focal point that cannot be matched. Here there's a wet bar area, games table, lounge and informal dining area, all in well-proportioned areas. Through the sliding doors to the rear, there is the al fresco formal dining area and an expansive full-beam al fresco lounge. Ahead, along the high-bulwarked side decks, you'll pass the staircase to the sun deck before arriving at a Portuguese bridge al fresco lounge. Here there's a large forward-facing sunpad and seating overlooking the foredeck.

On the sun deck above UNBRIDLED's features continue. You'll emerge from the stairs to see a wet bar in front of you. Towards the bow are the jacuzzi and an expansive sunpad that's big enough for everyone. There's a shaded dining area amidships, and on the aft deck is a BBQ, exercise equipment and sun loungers.

UNBRIDLED is well equipped with three tenders, so no matter who wants to go where there will be a tender available. She also has a collection of water sports equipment available for you and your guests to take advantage of during your holiday.

Put simply, UNBRIDLED is an ever-popular charter yacht, and after spending time on board you'll realise why.
