At 58.2m (191ft) long with an interior volume of 803GT she offers generous space and lounge options for her guests to enjoy while exploring the most sought-after destinations on the water. The yacht had an extensive interior refurbishment in 2015 and was fully painted and updated in 2019. Having one owner since new, she is in turnkey condition and ready for her next ownership chapter.

UNBRIDLED is a proven global cruising platform and comes with an enviable charter record. Her six adaptable cabins include a full beam master on the main deck with a private study, a convertible cabin also on the main deck and four additional guest cabins on the lower deck. Two are VIP cabins with double beds while the other two cabins have double beds along with a single bed and pullman. All guest cabins have en suite bathroom facilities. Her elegant main saloon leads into a separate formal dining area, and her expansive sky lounge features a bar, lounge area and game tables. Al fresco dining is available on the bridge deck aft along with a large seating area.
