# OVERVIEW.

The recently refreshed USHER is a superb base for an adventurous charter perfect for the young at heart. Explore the idyllic Bahamas, laidback Caribbean or majestic New England in comfort and luxury, from the sun deck's jacuzzi and artistically crafted lounges to the wide selection of watersports and fishing gear to keep you entertained.

As the sun rises, start your day with an invigorating workout on the sun deck, then head to breakfast in main deck lounge, taking in the surrounding anchorage to inspire your day's plans. USHER's shallow draft means she can venture into places that are rarely visited by other yachts.

Anglers will be keen for fly fishing trip, with a great selection of new gear to hand. For an underwater adventure, the crew will speed you by tender to a wreck site for a scuba diving or snorkelling safari. Or for fun that is closer to home, enjoy some faster or slower paced watersports off USHER's swim ladder, which provides easy access to the water.

A surprise beach BBQ lunch has been set up on a remote sandspit, with a gazebo for shade and fresh local fare grilled by the chef, before you head back on board for the afternoon.

While the captain moves USHER to a new anchorage, try a little troll fishing to see if you can catch dinner; the yacht's livewell bait tank is a great feature. Alternatively, head to the lounge's sofas to watch a movie.

With the anchors set, the sun deck's jacuzzi is an inviting spot with the unexpected bonus of a 55in TV. If you crave relaxation in the sun, the bridge deck offers a choice of sun loungers as well as a bar and table for afternoon snacks and fresh margaritas.

Take the elevator to the lower deck to freshen up before dinner. USHER sleeps 12 guests in five cabins, with zero speed stabilisers assuring comfort at anchor. Her beautifully presented, Polynesia inspired interior is a melange of exotic woods, sumptuous soft furnishings, tropical colours and sculptures depicting the natural world. Her splendid master suite has a spacious bathroom with an inviting copper bath, and there are four further double cabins, three of which have pullman berths.

As the evening draws in, the crew launches an underwater camera to show the fish attracted by the yacht's underwater lights on the lounge TV, while you sip cocktails from the bar. Finally, make your way to the main deck aft to dine on an Asian feast prepared from the day's victorious catch.
