VANISH

OVERVIEW.

The 71.5m VANISH represents an exceptional opportunity in the large yacht market. Delivered in 2021 and owned by the same experienced owner since new, she has been maintained with meticulous care and presents in turnkey condition. With a beam of 12.5m and an impressive 1,728GT, she offers outstanding volume for her length, creating a sense of space and scale that distinguishes her from yachts in a similar size range.

Designed inside and out by Harrison Eidsgaard, VANISH blends contemporary exterior lines with a refined, timeless interior aesthetic. Every area on board feels thoughtfully resolved, with a focus on light, flow, and comfort. Accommodation is exceptional. A full beam master suite is positioned on the bridge deck, complete with his and hers bathrooms and sweeping views. On the main deck, six additional guest cabins offer a rare and highly desirable arrangement for a yacht of this size, ensuring outstanding comfort and privacy for all guests. All decks are connected by a private elevator, supporting effortless movement throughout the yacht.

Lifestyle spaces have been conceived with both relaxation and entertainment in mind. The yacht features a sprawling beach club, seamlessly connecting guests to the water, as well as a fully equipped gym for on board fitness and wellness. Her deck architecture includes two helicopter decks, located on the sun deck and foredeck, both designed to accommodate an EC135, enhancing accessibility and operational flexibility.

Throughout, the yacht reflects the same thoughtful design, technical consideration, and disciplined maintenance philosophy with which she has been operated since launch. The result is a yacht that feels sophisticated, contemporary, and exceptionally well cared for.
