# OVERVIEW.

**Explore the endless delights of the West Mediterranean onboard a yacht that oozes Italian panache. Delivered in 2024, the 36.9m (121.1ft) Sanlorenzo VAUBAN has sensational outdoor spaces perfect for family fun and versatile accommodation for up to 10 guests in five cabins, including two VIP suites and two convertible cabins on the lower deck.**

Start the day in your full-beam main deck master suite. Raise the blinds on the three picture windows that surround your bed and let the bright morning light cascade in. After freshening up in your en suite, join your family and friends on the flybridge, where the yacht's talented chef has prepared fresh pastries, smoothies, eggs just how you like them and a smorgasbord of tasty delights, freshly grilled on the Teppanyaki grill.

While you chat through the day's plan with the captain, who knows how to get the very best out of this storied cruising ground, the deck crew has prepared the wakeboard and waterskis for some high-speed fun. You can watch the excitement from the lounge on the main deck aft or get closer to the action by heading down to the beach club and watching from the swim platform or the two sea terraces on either side.

With adrenaline levels suitably raised, it's time to head to your next port of call – and with a cruising speed of 23kn, it won't take long. You can watch this gilded coast glide by from the expansive foredeck lounge, top up your tan on the flybridge sun loungers or the huge sunpad in the bow, or catch a movie in the air-conditioned lounge. Perhaps you'd prefer to watch the captain at work from the flybridge helm station?

A sensational lunch using the finest produce these coasts can offer is served on the main deck aft as the yacht cruises along. Once settled in your new anchorage, it's time to take the tender ashore to get to know the port and its people, try a little retail therapy, or simply find a stylish bar with views of VAUBAN and settle in.

As the sun begins to set, everyone heads back to the sun for sundowner cocktails from the flybridge bar as music sets the mood. After dining ashore yesterday at one of the many Michelin-starred restaurants that pepper this coast, you decide to celebrate time together with dinner on board. The chef has produced a banquet of biblical proportions and the crew has tablescaped the dining room. After your culinary adventure, you retire with your digestif to sit beneath the stars on the fold-down balcony to take in the majesty of the moment.

Tomorrow, you get to do it all again. Book today and feel the anticipation.
