

VIBRANCE

VIBRANCE

OVERVIEW.

VIBRANCE shows off contemporary elegance to perfection. Just refitted in 2019, she is thought through in every detail to give you five cabins, two lounges and masses of sociable deck space, plus watertoys galore – and 11 crew to look after your charter party of 12.

You wake in your forward facing king sized bed set against an ornate mother of pearl feature wall. It's tempting to take your time in this charming suite with its private sitting room so you pick through your walk in wardrobe. An al fresco breakfast is ready when you are on the bridge deck aft.

Take the central stairs, decorated with De Gournay-style wallpaper, a fresco of gardens with bright peacocks. These stairs access all decks, from the guest cabins on the lower deck to the sky lounge behind the bridge. There's also a deck gym on this level, with a fold out balcony creating a niche for the exercise machines.

The bridge deck gives you the best views while dining. Chef has been busy baking so everyone is tucking in to the fresh bread and pastries while planning the day ahead. The agenda is packed for the action-fanatics. Which to try first? The new three-seater waverunners or the SeaBobs?

The yacht has two tenders so everyone can try their thing – from fishing to waterskiing to the inflatable towables. Astern the crew have tethered the floating pontoon and all the equipment is primed and ready. The excellent crew to guest ratio means that you can have as much watersport help as you need – and you know that the crew will keep a watchful eye on the children.

When the yacht is underway, make your way to bridge to watch the captain in action, or find the seating on the Portuguese Bridge for the bird's eye view. The coast has so much to offer and this yacht will take you there.

The sky lounge lives up to its name with full height windows on three sides – the place to be for those who plan to watch a sports game on TV in air-conditioned comfort. The main lounge below is another option, with a large screen for an evening movie.

Sun lovers will head to the sun deck where the jacuzzi and sun pads await. The BBQ is fired up for dinner as no one wants the barefoot fun to end. The chef has promised his surf and turf special, and the bar is open... it's time for a sundowner.

Key features
