VICKY

APERÇU.

VICKY epitomises Italian style and design. When you fly in on your helicopter, you land on the top deck of the largest and highest standard vessel ever built by Baglietto yachts. From the sumptuous cabins to the hamman steam room to the jacuzzi swimming pool, no detail has been missed to make this your charter of the lifetime.

Wake up in your chic master suite on the main deck, with views out across the anchorage. The minimalist design and simple palette in your room is reflected throughout the yacht. The cool greys and clean lines create a soothing space. The suite also gives you a private lounge and bar, perfect for a little tete-a-tete later.

After a refreshing swim from the swim platform astern, an al fresco breakfast awaits on the bridge deck aft, with freshly juiced fruits and delicate pastries - or something heartier if your guests fancy. The yacht's professional chef will cater to everyone's tastes.

At breakfast you'll all be excited to discuss the days' adventure. VICKY has six cabins for 12 guests on the main and lower decks, and she has the facilities aboard to keep you all entertained. Sun lovers will want to head to the sun deck where the loungers and jacuzzi pool await. Later a steam in the hamman, followed by relaxing on the daybeds, is on the agenda.

The young ones aboard will want to jump on the inflatable Aquqglide water park – there's a trampoline and mini waterslide – all tethered safely to the swimming platform astern. Don't forget the mega waterslide that reaches from the sun deck to the sea – the young at heart will be vying for a go too!

VICKY offers guests an RYA Training Centre, so you have the chance of professional instruction for all the watertoys. Which to choose first? The SeaBobs, waterskis or wakeboard? And after all that adrenaline a quiet kayak around the foreshore could be ideal.

At the end of an action-packed day it's time to dress for dinner. Your master suite has an extra-large walk in wardrobe and dressing room – on a charter this glamorous you can expect nothing less. Dinner is served in the main saloon, the table set beneath an exquisite droplet chandelier.

A stroll on the decks in the moonlight is a beautiful end to the day. And for those not ready to wind down, ask the crew to drop you ashore in one of the two yacht tenders, the nightlife beckons!
