

VICTORIA DEL MAR

OVERVIEW.

With her solid American pedigree, VICTORIA DEL MAR is an elegant charter choice for exploring the waters of the Caribbean and Mediterranean. Delivered by the US shipyard Delta Marine in 2006, she underwent an extensive refit in 2018, followed by an interior refit in 2025, and is today the epitome of style and sophistication with a fresh and contemporary décor.

To start your day, make your way to breakfast on your private terrace on the bridge deck aft where a range of different tables allows invited guests to enjoy a more casual mood to the formal and larger group mealtimes. While you enjoy a leisurely start to your morning served by the interior crew, your professional and friendly deck crew will also be busy preparing for a morning of fun on the water. In addition to the requisite waverunners, SeaBobs, kitesurfing equipment and various towable toys, VICTORIA DEL MAR also has an inflatable climbing wall, jungle gym and an Island Hopper Water Bouncer, making her a firm favorite with families. For those looking to explore the surrounding coastline, perhaps taking in a few secluded coves, paddleboards and kayaks are also included in her toybox.

Back on board, the large table underneath the shade of the satcom arch on the sun deck is generally the most popular place to enjoy an al fresco lunch. With a jacuzzi and endless options for lounging both in the sun and in the shade, an afternoon of relaxation follows. Late afternoon, as the sun cools you could find yourself heading to the air conditioned gym or choosing a massage and pampering session instead. And as the sun sets, it's time for cocktails and canapes, served on the main deck. After another remarkable feast, taken either al fresco or in the formal dining lounge, head to the sky lounge bar for an after dinner nightcap while the crew converts the sun deck for an outdoor movie night under the stars.

Relaxed and ready for a peaceful night's sleep, retreat to one of the seven luxurious cabins. Located on the bridge deck, the master suite includes a semi-private, full beam aft deck space with removable windows. A further two VIP cabins can be found on the main deck and benefit from large picture windows, while the lower deck has two doubles and two twins. All of the guest decks are connected by an elevator, adding to VICTORIA DEL MAR's ample comforts.

Key features

Wheelchair friendly

Private master deck
