

VICTORIOUS

VICTORIOUS OVERVIEW.

What makes the perfect charter yacht? Some have beach clubs with swimming pools, some have owner's decks with family friendly cabins for children and a terrace with a private jacuzzi. Some have VIP suites, elevators, observation lounges, cinemas, gyms, wellness centres with sea terraces and a cigar clubroom with fireplace. Very few have all of them - and more. Welcome to VICTORIOUS, winner of the 'Motor Yacht Over 80 Metres' category at The International Yacht & Aviation Awards 2022.

The master suite on the bridge deck has its own terrace with private jacuzzi and views to the ocean beyond. On the same deck are two children's cabins, one double, one twin, and a short elevator ride away is the main deck children's playroom, making her a very family friendly yacht.

Comprehensive wellness facilities include a lower deck gym with sea terrace and a beach club spa with beauty salon, massage, sauna, hammam and a large swimming pool. The yacht's crew includes a spa therapist and a fitness instructor too, to ensure guests are properly pampered and thoroughly worked out.

She is equally well fitted out for guest entertainment with a main deck cinema and there is open air dining on the upper deck with a sit-up bar and a sun lounge with a second jacuzzi. Inside is a sky lounge with another sit-up bar, where the crew's own mixologist creates the perfect sundowner, and forward are two observation lounges, one with a baby grand piano, and a formal dining room.

On the sun deck there is a cigar clubroom complete with working fireplace and its own wine cellar and humidor. Other entertainment spaces include the sit-up bar and lounge in the beach club, upper deck's helipad and the main deck aft presents a huge, versatile area when three of her four tenders are launched.

On-the-water activities are well catered for with a custom-made catamaran limo tender and sports fishing tender. She has the full selection of watertoys, including the latest jetsurfs and foilboards. Guests can use them all safely as the yacht is an approved RYA training centre and all the action can be captured by the yacht's own drone pilot.

The diversity in her space and amenities makes VICTORIOUS an appealing charter opportunity for large families, groups of friends or a mixture of both. Spend time with the people you love in the utmost luxury. Watch your children race around the main deck or experience the thrills that come with trying stand up paddleboarding, the latest waverunners, or kneeboards, for the first time. Whatever your itinerary, VICTORIOUS offers her guests a superyacht charter experience that no other yacht can match.
