VIPER 130

OVERVIEW.

The ISA Viper 130 is a high-performance planing yacht, equipped with a choice of three MAN or MTU engines, allowing for a top speed of 35 knots and a comfortable cruising speed of 26 knots.

With a shallow draft of just 1.3 metres, the ISA Viper 130 is perfectly suited for shallow waters, making it ideal for destinations like the Caribbean.

The aft cockpit of the ISA 130 Viper is a standout feature, divided into three distinct areas: a beach platform with transformer, a sunbathing and lounge space, and an outdoor dining area for eight guests. Expanding side balconies enhance the sense of openness, while the aft galley with bar and a retractable glass partition ensures total privacy and versatility, perfect for entertaining or relaxing in complete seclusion.

Key features

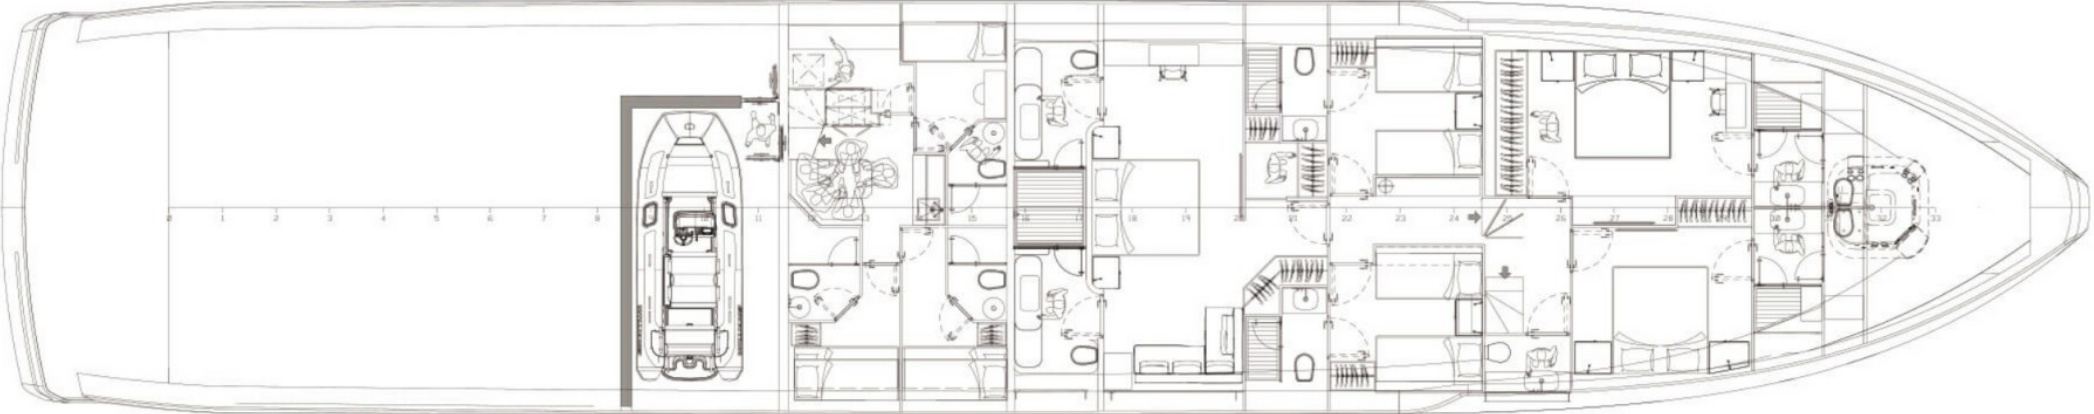

Accommodation for up to 10 guests in 5 cabins

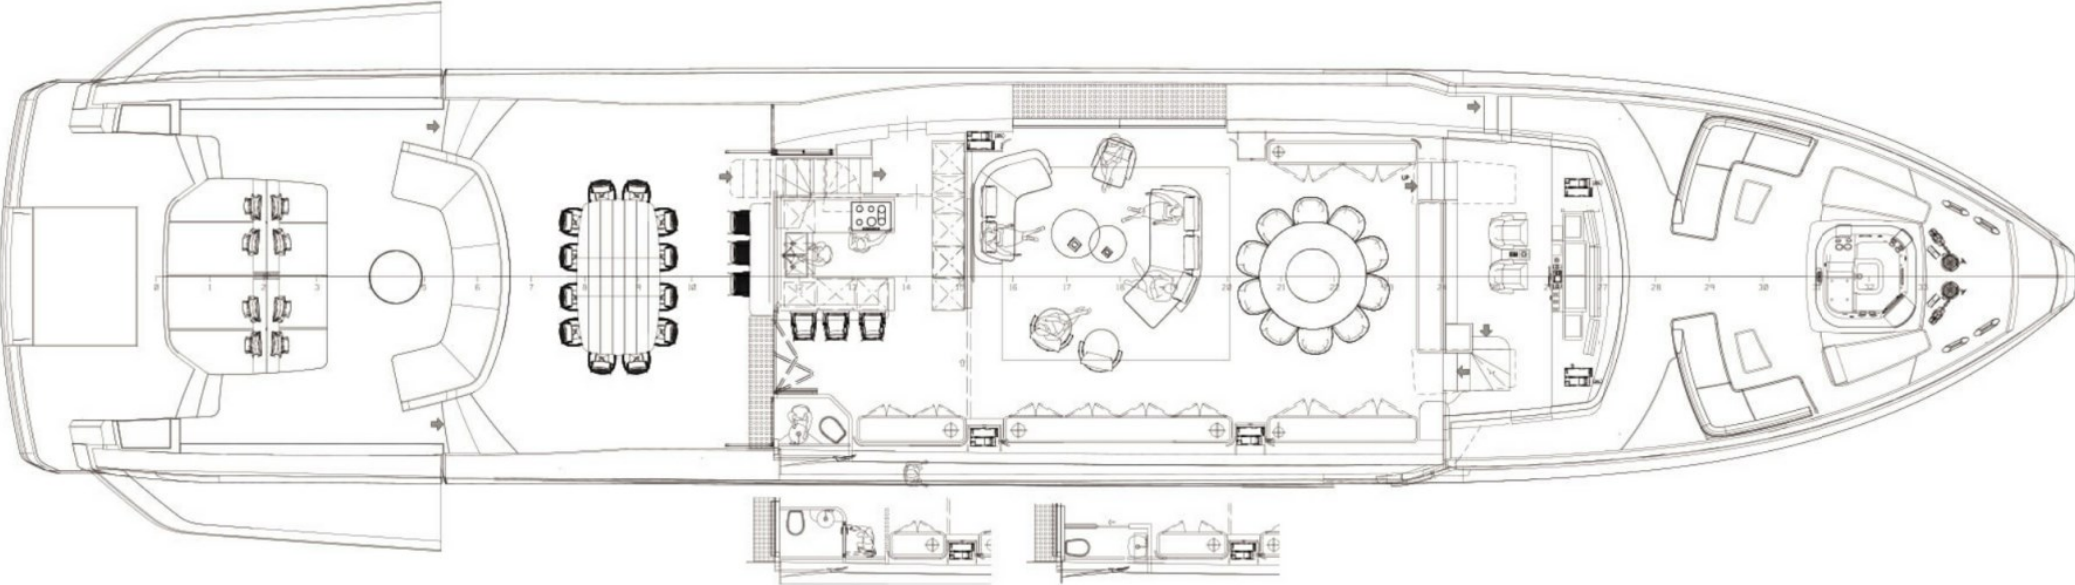

Beach platform with transformer

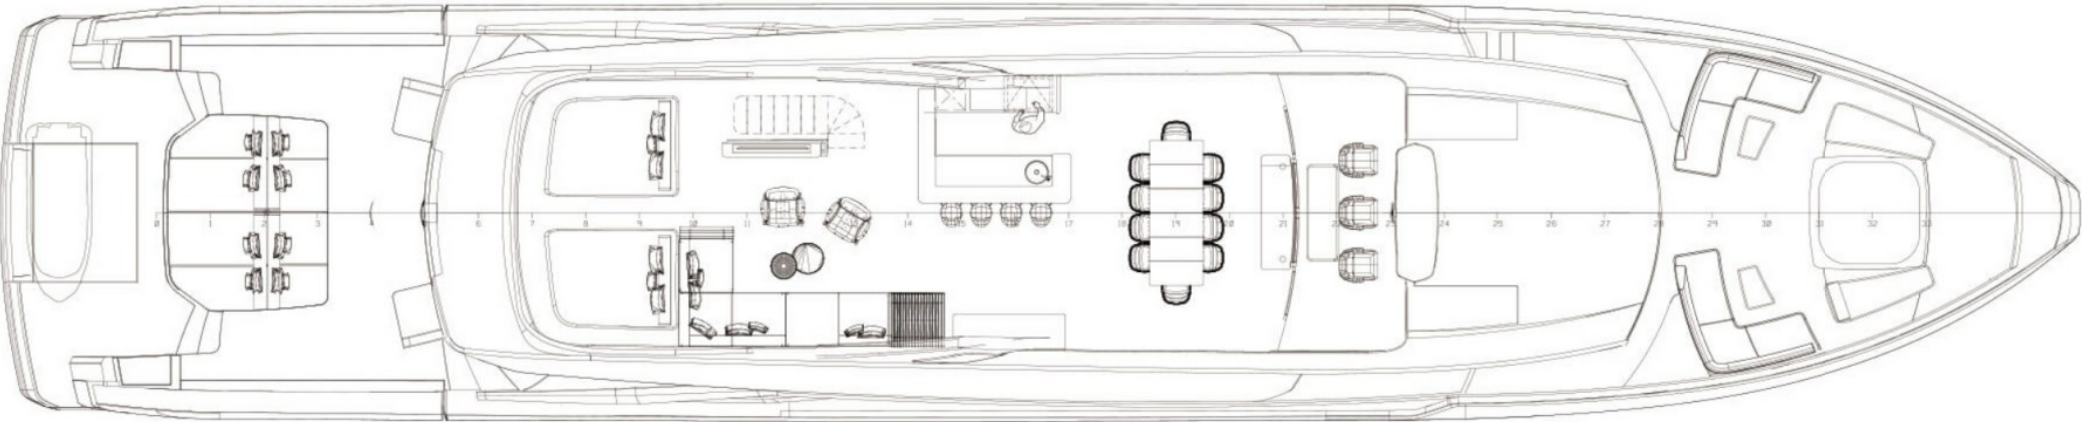

Generous sunbathing and lounge space

Alfresco dining area

Expanding side balconies
