WHEELS

APERÇU.

From her crow's nest observation lounge to her lower deck cinema, this feature packed, seven deck yacht delivers an unforgettable superyacht experience every time.

WHEELS is an absolute show stopper of a yacht. With 360 views from the crow's nest's day bed and bar stools, you can see the sun deck pool forward and the jacuzzi aft, both flanked by sunpads. Between them is a huge expanse of versatile deck space for yoga, open air massage, sun lounging, al fresco dining or entertainment and a fully equipped climate controlled gym for morning workouts.

Other highlights include a split level master suite on the upper deck with panoramic views from the bedroom and a spectacular double height office bathed in natural light, a main saloon, complete with feature aquarium, that converts into a nightclub and an eight seat cinema on the lower deck, which is also home to two 9.5m custom Vikal tenders and a formidable fleet of watertoys.

Large picture windows in the bridge deck and main deck allow natural light to flood in. The sky lounge has convivial seating around a coffee table for quality family time and in the evening guests can try their luck on a green baize games table forward. The main saloon has seating either side of a central hardwood floor that becomes the dancefloor in nightclub mode.

Four bright guest suites on the main deck enjoy plenty of daylight through large windows and there is a sixth suite adjacent to the master suite for guests or staff. Her deck crew is expert at the various watersports platforms and their tireless enthusiasm for guests making the most of their time aboard ensures maximum fun on the water.
