OVERVIEW.

This is one of the most extraordinary yachts on the charter market, one that delivers an unforgettable experience time after time. This award winning yacht is packed with outstanding features across her six spectacular decks, all linked by a glass elevator, and blends the inside-outside living supremely well.

Highlights include a main deck cinema with sports bar, a jaw dropping double height main lounge, a lower deck gym and lobby with sea terrace, a wellness centre with steam room, sauna, massage, plunge pool, whirlpool bath, shower and a hair salon. The upper deck's inside-outside beach club transforms into a nightclub for parties or a second cinema for movie nights. There are al fresco dining options on no fewer than four decks and, except for the vast master suite on the upper deck, all her guest accommodation is on the main deck and three cabins are family friendly convertible double/twins.

From the crow's nest's daybed, spiral stairs lead down to a sun deck with a 12m mosaic lined infinity pool and jacuzzi forward surrounded by sun pads. Past a circular lounge area perfect for drinks and nibbles there is a fully equipped bar opposite a buffet bar and further aft is a sit up wet bar for 12 guests, where you can snack on al fresco delights prepared by the chef on the BBQ aft.

The bridge deck is all about entertainment. It's home to a huge and highly adaptable aft deck space, which doubles as an outdoor cinema with a huge screen, and there is also an inside-outside beach club with bar and cinema lounge that converts into a nightclub for private parties. There's al fresco dining on the upper deck aft, again with bar and buffet and sun pads. Inside is a lounge and snack bar and past the working fireplace is a beautifully impressive formal dining room for 18 guests. Between the two is a breathtakingly ornate staircase between two video walls spirals down to the main deck with a custom designed piano as its focus.

Forward on the upper deck is a palatial master suite, with its own outside jacuzzi with sun pads, just aft of the games deck on the foredeck. Inside is a double berth surrounded by wraparound views and beneath a skylight for stargazing at night. There are enormous his and hers bathrooms each with bath, steam shower and its own dressing room. There is also a private office with an en suite to starboard and a boudoir to port.

Alongside her luxurious interior and deck spaces, she has a toy locker bursting with a whole host of equipment sure to tempt everyone on board for some watersports action. With a classic Hinkley limo tender capable of ferrying 12 passengers ashore, in addition to an Xtender tender and Yamaha ski boat, alongside SeaBobs, jetskis, eFoils, as well as an inflatable platform, family and friends will be in their element as they wish to try every toy on board.
