WINDROSE OF AMSTERDAM

APERÇU.

WINDROSE OF AMSTERDAM has sailed all over the world; the yacht is imbued with the spirit of adventure. While she boasts undeniable sailing prowess, which will appeal to both experienced sailors and those new to sailing, the yacht also offers great onboard comfort for up to eight guests, plus two in pullman berths.

Sophisticated and classic style permeates every inch of WINDROSE's interior living spaces. Guests will want for nothing. The generous lounge and dining area allows for relaxation, socialising and entertaining. The deck is where guests will undoubtedly spend most of their time. Sweeping and sprawling, there are 360 views.

WINDROSE is the ideal platform for immersing yourself in the nature of the surroundings. She has the ability to run "silent ship" for an entire night with full load and no generators running. The divided cockpit is the perfect spot for those long, leisurely lunches at anchor and offers some shelter for when the wind picks up. With a PADI diving guide among the crew, and a selection of water toys, guests will also have the opportunity to explore beneath the water's surface too.
