# OVERVIEW.

**Beautifully designed for exploration and comfortable cruising, X is the perfect charter yacht for those looking for adventure. Delivered in 2016 by Sanlorenzo, her steel hull, large tender, and every luxury amenity equips her for the ultimate adventure charter experience.**

Begin your day with an early morning yoga session on the main deck aft or a workout in the dedicated gym, before enjoying breakfast on the bridge deck with a sea view. X may have been built with exploration in mind, but this doesn't detract at all from her luxury offerings, of which she boasts many. Wherever you choose to spend time, you will be spoiled by your sumptuous surroundings. The sun deck aft is the perfect place to catch some morning rays on the comfortable sun pads. Other guests might also choose to relax on the large bridge deck aft, where sunloungers sit in front of a shaded dining area – also the ideal spot for an al fresco lunch.

X's guest areas are ideally set up for families and friends to socialize together, while still finding space for some quiet time alone when desired. Forward of the bridge, for example, is a large circular lounge area, the perfect spot for privacy when berthed stern to, or in which to escape the other guests. The variety of al fresco living spaces is complemented by two warm and welcoming interior lounges. There is nothing formal about her interior set up, rather it provides the perfect retreat when cruising colder climates, or an air-conditioned area to chill out in when the sun is at its height.

After a few hours acclimatizing to the relaxed pace of life on board, it's time to burn some energy. Whether swimming in the main deck pool or jumping into the cool water to enjoy X's toybox, you are guaranteed an afternoon of fun at anchor when cruising aboard X. The yacht's friendly crew are always on hand to take the ski boat out for waterskiing and wakeboarding, while some guests may prefer to jump in and explore the underwater world with a SeaBob, or to explore the surrounding coastline with a more sedate paddleboard.

After so much activity, how about a refreshing sundowner back on board, or perhaps a quick cocktail on a local beach. One evening you could even stay ashore to enjoy a beach barbecue, but for your first night on board enjoy an al fresco dinner before an evening of dancing on the main deck aft, calling it a day when your sumptuous accommodation beckons.
