ZALIV III

# APERÇU.

With the master stateroom on a private deck, and three further decks of stunning living space, ZALIV III will give you and your party the charter of a lifetime. Once aboard your only decisions will be whether to try out the raft of watertoys, join the captain on the bridge as you make fast passage along the coast, or just to switch off and let the SPA therapist work her magic.

Come morning you are treated with the best view aboard from your master on the upper deck. The four-poster bed is the epitome of elegance, matching the interior décor throughout that nods to a modern colonial style, with soft linens and caramel wood panelling. Your suite offers you a private lounge, but first the aft deck beckons with breakfast laid for two.

ZALIV III has zero speed stabilisers to ensure that your guests are feeling rested as they emerge from their cabins. The main deck hosts a full beam VIP suite, while the lower deck offers two double and two twin cabins radiating off a minimalist lobby -making a total of six suites for your party of 12. The lighting design makes each feel spacious and tres chic – plus each has its own TV.

With the sun comes the fun! Watertoys are tethered to the swim platform and ready to give you a wild ride above or below the waves with Sea-Doos, SeaBobs, an electric surfboard, flyboard and more. Don't worry, the professional crew are expert, and happy to give instruction if needed - particularly to any children abroad.

Two al fresco dining areas, on the main deck aft and sun deck, set the tone for long, relaxed lunches – and a meal on the sun deck next to the sit-up bar can easily extend into the afternoon as the gentle breezes take the edge off the mid-day heat. The jacuzzi up here is the place to cool off even more. Although, sun lovers who just want to bask head to the foredeck - the ideal spot with a huge seating area.

If you fancy painting the town red in the next port, the captain will get you there in short order as ZALIV III makes 20 knots at her top speed. Before you go out, you will want to start with five-star dining in the main saloon, followed by a little roulette with the on board croupier.

Later, as you hang up your dancing shoes, take a stroll around the deck and think ahead to tomorrow - that SPA treatment awaits.
