ZAZOU

# APERÇU.

**Impressive and striking, ZAZOU is one of the finest yachts launched in recent years by the Benetti shipyard and her arrival is sure to turn heads in any harbour. Built in 2021 and exclusively in private use for her first few years of service, she has only recently been made available for charter.**

A highly distinctive tri-deck vessel on a grand scale with the added bonus of a partially enclosed sundeck, ZAZOU is designed to host up to 10 guests in five cabins, including an exceptionally spacious master suite, with 16 crew at your service. Her interior style is clean, refined and elegant, finished in fine marble and delicate blond hardwoods with a soothing palette of colours and textures throughout.

Special features include a large, well-appointed beach club at sea level, a dedicated massage/treatment room, an open-air cinema and, also on the top deck with commanding sea views, one of the largest gyms to be found on a yacht in this class with a hammam en suite. She offers a wide variety of social spaces for dining, lounging, sunbathing and relaxation on her vast outside decks and a central glass elevator links all four levels of guest accommodation.

The sundeck has a plunge pool up forward and an expansive lounge-dining space aft. One level down, there's a seamless flow between inside and outside spaces on the upper deck, which has a foredeck lounge as well as a spacious lounge-dining area facing aft. The main deck lounge has a big projector screen in the remarkably bright and airy lounge, a partially separate dining room and sweeping sea views through oversized windows.

Up forward on the main deck, her master suite has an L-shaped main cabin with a living room area and a private outside terrace which – unlike a fold-out balcony – is accessible at all times without requiring any intervention by the crew. There's a jacuzzi bath plus a separate shower room in the en suite master bathroom.

The other four guest cabins include two very nice doubles and two twins on the lower deck, each individually styled and with its own private en suite bathroom.

Watersports enthusiasts will be spoiled for choice. She carries two big RIBs, a large sea pool and a vast array of toys from jetskis, and E-Foil boards to kayaks, inflatable tows and a whole lot more. Whatever you're into, she has it all.
