

ZENJI

ZENJI

OVERVIEW.

Immense sail power, eye-catching elegance and vast amounts of living space – that’s ZENJI. One of Perini Navi’s iconic and very successful Ron Holland-designed 56 Metre series (183ft LOA), she is designed to host up to 12 guests. She’s now in exceptional condition following an extensive refit in 2022 with a design brief that called for a comprehensive refurbishment to give her interior a fresh, modern nautical theme with timeless appeal. The result is spectacular.

Perini yachts are renowned for combining the space, luxury and comfort of a large motor yacht with exhilarating sailing performance. On all of these fronts, ZENJI delivers and you can expect a very high standard of service from her 10-strong expert crew.

When she’s tacking to windward in a lively breeze or flying her huge gennaker downwind, guests have a phenomenal view of the action while seated comfortably in the secure sundeck lounge on top of the deckhouse, looking up at the towering mainmast and mizzen.

Anchored in a bay, the sun deck becomes the yacht’s main open-air social hub – a large, seating, dining and lounging area with sunny and shady nooks and a raised jacuzzi. Sun loungers are set up on the foredeck and the aft end of the deck saloon lounge opens up to connect with the aft deck and let the breeze flow into the deckhouse. You can step straight into the sea from the bathing platform that folds neatly out from the side of her hull and she carries two tenders plus a selection of watersports toys.

The deck lounge is a big, bright and airy space with three separate rooms: a large, comfortable lounge with a bar, a snug, separate TV lounge and a 10-seat dining room. The master suite has a study desk, plush armchairs and a king size bed, a dressing room with walk-in closets and a full size bathtub plus a separate shower in the en suite bathroom. The other cabins – large doubles with queen size beds and twin-bed cabins with pullmans, all with private en suite facilities – are finished to the same very high standard, in a contemporary-classic style.

ZENJI is a great choice to charter for a superyacht regatta – she has notched up some strong racing results in recent years. But she’s also ideal for a relaxed family holiday, or a fun-packed cruise with a group of friends.
