ZEUS I

OVERVIEW.

Delivered in 2009 by Overmarine, ZEUS I is a classic example of the popular Mangusta 165 series. A semi-custom yacht with sophisticated Italian styling, she exudes superior aesthetics coupled with unrivalled engineering.

The ideal Mediterranean sports yacht, ZEUS I has only ever been used privately with relatively low hours on her three MTU 3,647hp diesel engines. Her waterjet drives give her a cruising speed around 27-29 knots and a top speed in excess of 35 knots.

On deck there are vast areas dedicated to sunbathing, two large heated spa pools on the aft and foredeck, plus an extendable hydraulic dive platform found on the starboard side.

Inside, her interior style was penned by Michela Reverberi who created a sumptuous yet tactile space. Neutral tones accented with dark woods and leather create a welcoming atmosphere perfect for social gatherings.

She accommodates up to 12 guests across five cabins, including a large owner's suite with private office.

Other entertainment facilities on board include a dedicated cinema room, and extensive AV equipment throughout.

ZEUS I is conveniently located in Monaco area for inspections.
