ZEUS

APERÇU.

Few yachts command the recognition and enduring appeal of ZEUS. An icon of modern yachting, she combines visionary design, advanced engineering and exceptional craftsmanship in a way few vessels have achieved.

Delivered in 1991, ZEUS remains instantly recognisable thanks to her groundbreaking profile, distinctive convex glazing and unmistakable presence on the water. Benefiting from continuous upgrades throughout her lifetime and offered with European VAT paid, she presents a rare opportunity to acquire one of the most celebrated yachts ever built.

Her striking exterior, conceived by Martin Francis, is complemented by elegant interiors from François Zuretti, creating a yacht that is as innovative today as it was at launch. A true landmark in yacht design, ZEUS continues to stand apart from her contemporaries.
